What makes this event different?

Exchange contact details simply by scanning the image on your nametag.

Members of similar industry sectors can now network with each other at the colour-coded industry sections.

"Help Stations" in all 9 main venues where you can interact with your local Business Banker for any queries you may have.

BlackBerry will be at each of the main venues again teaching you about scanning and QR-codes.

Apple has partnered with BizNetwork and will be showcasing their latest products.

Please donate

Event Attendees: Please bring along a donation for the Salvation Army

BizNetwork is partnering with the Salvation Army to better your community. The Salvation Army has a daily feeding scheme that feeds between 100 - 200 people per day. Your donation of any dry goods will go toward this project. They also hand out clothes to destitute people. This is monitored by their Social Services Centre in Simmonds Street. There will be a box supplied at each of our main venues for this worthy cause.

You were part of something GREAT

Our last event was the biggest event ever held, and also one of the biggest events on a single night for entrepreneurs in Africa. BizNetwork was also the leading trend topic on Twitter.

A lucky entrepreneur will win amazing prizes from Apple, BlackBerry and our expert speaker Tracey Foulkes.

Should you have any queries please do not hesitate to contact the [BizNetwork Team](#).
